## The Academic Costume

**Gowns** : Gowns recommended for use in the colleges and universities of this country have the following characteristics. The gown for the bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The gown for the doctor's degree has bell-shaped sleeves. For the bachelor's or master's degrees, gowns are untrimmed. For the doctor's degree, the gown is faced down the front with black velvet; and three bars of velvet are used across the sleeves.

**Hoods:**The hoods are to be lined with the official color or colors of the college or university conferring the degree; The binding or edging of the hood is to be velvet or velveteen, two inches, three inches, and five inches wide for the bachelor's, master's, and doctor's degrees, respectively; the color should be indicative of the subject to which the degree pertains
