April 2010

Dear Graduating Student:

Congratulations! This is a very exciting time of your life and we want to make your graduation day even more festive.

This year you have the opportunity to order flowers, corsages, boutonnieres, balloons, and/or graduation bears or bulldogs for your family and friends. Your order will be waiting for you on graduation day. We will set up a table on the lawn in front of the Seay Building from 11:00am-1pm for you to pick up your order.

Please mark the quantities you wish to order then cut off the bottom portion of the letter and enclose your check/cash and bring it to the Women's Center, Brotherton Hall, LLB005 or mail it to us at the Women's Center, Centenary College, 400 Jefferson Street, Hackettstown, NJ 07840. **Do it now before you forget.** This is a wonderful way to show your appreciation to those who gave their love and encouragement to you.

Sincerely,
