

Dear Parents,

This summer, Summer Scholars @ Centenary College has implemented a new policy and procedure for administering medications while your child is at camp. Camp families are **required** to register for the service of **CampMeds Inc.** to dispense and pre-package all of your child's medicine for camp. All prescription, non-prescription pills that your child takes on a daily or as needed basis will be dispensed by our pharmacy and individually packaged. You may bring vitamins to camp. Each sealed packet will be labeled with your child's name, medicine, dosage, date and time to be given. Prescriptions that are not in pill form (liquids, inhalers, etc), will be dispensed as well. Our system ensures that each camper receives their correct medicine at the correct time. All meds will be shipped to camp prior to your child's arrival.

What you need to do: Register on www.CampMeds.com (you may register prior to obtaining prescriptions)

1. Note your Camper ID number you will receive when registered. Print out receipt from registration.
2. Obtain original prescriptions written for 30 day increments. (Refer to FAQ # 5) Unused meds are sent home from camp.
3. Write Camper ID # on top corner of prescriptions. *Do not send us medication, only written prescriptions.
4. Prescriptions are filled as written. It is your responsibility to confirm all prescriptions are written correctly; exactly how (daily or PRN) and when your child takes the medication, the correct med is prescribed and the dosing is correct. (Refer to FAQ #2 and #10).
5. Non-prescription medication; physician's authorization or clear directions written by parent is required.
8. Include a copy of both sides of your insurance/prescription card.
9. Mail prescriptions, registration receipt and copy of insurance card directly to:
